APPLICANT INFORMATION

Please note that completing this document does not automatically qualify you for membership. If you meet all the necessary requirements, and provide all the required documents and fees and your application is approved by a vote of the membership, you will be granted "Member" status.

Members should be advised that all calls for work must be cleared by the Union office. It is **your responsibility** to notify the Union office when you are offered work. It is your responsibility to keep your availability up-to-date with the union office and keep your current address, telephone numbers and email address on file with the Union office.
