- (b) The terms of this Agreement shall be interpreted with respect to the following further definitions:

“ASSOCIATION” means the Canadian Media Producers Association (CMPA) or its successor.

“CRAFTSERVICE PROVIDER” means a person engaged by a Producer, and may include a corporation or “loan out company” (as the phrase is used and understood in the motion picture industry) controlled by a Craftservice Provider who is an employee of that corporation, to perform work covered by this Agreement.

"HONEYWAGON" is any vehicle containing multiple compartments or units, used either as dressing room(s) or office(s) (whether occupied or not) together with crew washroom facilities (whether contained in the compartments or units, or generally accessible).

"HONEYWAGON OPERATOR" means a person engaged by a Producer, and may include a corporation or “loan out company” (as the phrase is used and understood in the motion picture industry) controlled by a Honeywagon Operator who is also an employee of that corporation to perform work covered by this Agreement.

“MEMBER” means a Craftservice Provider or a Honeywagon Operator engaged by a signatory Producer under this Agreement.

The Producer recognizes the right of any duly authorized representative of the Union to have access to the place of work of any individual engaged by the Producer in any category of the bargaining unit as listed in Schedule "A" or "B" of this Agreement. The Union agrees that such access will not be made to interfere with a Member's ability to perform their duties. Prior to arriving at any place of work, the authorized representative shall advise the Producer.

- (d) The Producer further recognizes and agrees that the insignia of the International Alliance is copyrighted and is the sole property of the Alliance. The Producer hereby agrees to display the insignia as herein authorized, unless the Union advises otherwise, on any and all motion picture films or substitutes thereof such as tapes, wires, etc., recorded by any method and produced under the terms and

conditions of the Agreement which carry screen or air credit title or titles. Said insignia is to be clear and distinct, and shall appear on a sufficient number of frames. Displaying the insignia of the International Alliance complies with the requirements of this article.

ARTICLE TWO

Recognition and Scope of Agreement

- (a) The Association and the Producer recognize the Union as the sole and exclusive bargaining agent for all Craftservice Providers and Honeywagon Operators and any other classification as contained in Schedule "A" and Schedule "B" of this Agreement.
- (b) The Association and the Producer recognize the Union's jurisdiction and the job classifications set out in Schedule "A" and Schedule "B" of this Agreement and agrees not to directly or indirectly change, delete, alter or amend the job, transfer the job function, or establish a new job classification without the written consent of the Union.
- (c) The Union recognizes the Association as the sole and exclusive bargaining agent and representative of its members and/or those listed in Schedule "G" with respect to the work covered by this Agreement.
- (d) The Association and the Union recognize that any Producer who subsequently wishes to become bound to this Agreement must sign the Bargaining Authorization and Voluntary Recognition Agreement contained in Schedule "D". A copy of each Bargaining Authorization and Voluntary Recognition Agreement shall be forwarded to the CMPA upon execution by the Union.

It is agreed that by signing this Bargaining Authorization and Voluntary Recognition Agreement the Producer is only obligated to engage those Craftservice Providers and/or Honeywagon Operators as are required by production. For greater clarity, a production that requires neither Craftservice Providers nor Honeywagon Operators shall not be obligated to engage same.

- (e) Except by prior agreement with the Association, the Union shall not enter into any Agreement for the work covered by this Agreement with any Producer at rates or terms in whole or in part which are as favourable or more favourable to such Producer than those set forth in this Agreement.
- (f) No Member shall be transferred to another bargaining unit without the Member and the Union's consent.
- (g) It shall not be a violation of this Agreement, and it shall not be cause for dismissal or disciplinary action in the event that a Member refuses to enter upon any property involved in a labour dispute, or refuses to go through or work behind a picket line, including a picket line at the Producer's place of business and/or shooting location.
- (h) The Producer agrees that it will not lock out any Member during the term of this

Agreement. The Union agrees not to initiate any strike, work stoppage or slow down, during the term of this Agreement, except in the case of the Producer's failure to sign a Bargaining Authorization and Voluntary Recognition Agreement or post security against wages in accordance with Article 13 (a) or (b).

- (i) The Producer shall maintain the legal status of the Producer and shall not permit same to be liquidated, wound down or dissolved until all of the Producer's obligations under this Agreement have been fully and finally performed and satisfied.
- (j) If there is a change in the Producer's name, the Producer and/or the Association agrees to notify the Union, in writing, immediately.

ARTICLE THREE

- (b) Immediately upon completion and execution of an individual contract of engagement, a copy of such shall be forwarded by the Producer to the Union.
- (c) The wording "subject to a signed I.A.T.S.E. Local 411 Collective Agreement" must be clearly stated on each individual contract of engagement.
- (d) The granting to any Member of better rates, conditions and/or terms than those provided herein, shall not be construed in any manner as a precedent for granting similar rates, conditions and/or terms to other individuals.

ARTICLE SIX

- (a) The Producer shall not discriminate against any member because of race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, sex, sexual orientation, gender identity, gender expression, age, record of offences, marital status, family status, disability, union membership or participation in the lawful activities of the union.

- (f) Prior to the Producer commencing a formal investigation with respect to a complaint of harassment or violence in the workplace, the Producer agrees to notify any Member who is a complainant, respondent and/or witness with respect to the claim of their right to Union representation. The Union shall not obstruct the investigatory process or the timing thereof.

ARTICLE SEVEN

Union Personnel

- (a) The Association and Producer agree that the Producer shall engage only qualified and appropriately accredited Members in good standing with the Union, and for the purposes of this Agreement, written permission from the Union for the engagement of an individual who is not a member of the Union shall also constitute good standing with the Union. Failure to show good standing with the Union shall be sufficient reason and just cause for dismissal.
- (b) It shall not be a breach of this Agreement for any Member to refuse to work with a non-union person or person not engaged in accordance with Article 7 of this Agreement.
- (c) Notwithstanding any provisions in this Agreement or any individual engagement contract signed by a Member, the Producer agrees that no Member shall be required to start work prior to the Producer becoming signatory to this Agreement, and the posting of a security against wages, as outlined in Article 13.

Such information shall be kept confidential and held in compliance with all applicable privacy legislation except to the extent necessary to obtain the production tax credits and/or grants.
 - (ii) The Parties recognize that the Canada Revenue Agency ("CRA") has

These guidelines may be amended from time to time.

(iii) A Member employed through a loan-out corporation may be asked to provide (and if asked, shall provide) to the Producer the loan-out corporation's most recent Notice of Assessment as well as the most recent Schedule 50 indicating whether the loan-out corporation has a single or multiple shareholders. The crew representative will be responsible for assisting with issues such as Health and Safety, and Equity, Diversity and Inclusion.  - (i) shift the work week forward by one (1) or two (2) days by adding one (1) or two (2) days off consecutive with the seventh (7th) day off of the regular work week, provided that each additional day off shall include an additional twenty-four (24) hour rest period. In no event may the Producer shift the work week to avoid paying for an unworked holiday. The work week during pre-production may be different than the work week of production.

Should the Producer enter into a variance with the applicable technician's union on terms and conditions affecting shifting the work week, the Union shall be provided with notice, in writing, by the Producer, within forty-eight (48) hours upon finalizing such agreement.

The change in work week from pre-production to production shall not be considered a shift. However, it is agreed and understood that there shall be a minimum of one (1) day off between pre-production and production. The rest period for this day off shall be thirty-four (34) consecutive hours free from work. If work is performed on that day, the rate of pay shall be that of a seventh (7th) day of work.

(c) Hiatus Periods

- (a) As security against wages, the Producer shall provide the Union with an amount not more than the equivalent of two (2) weeks' payroll for Members engaged within the categories listed in Schedule "A" and "B" herein. The Union shall hold such monies in an interest-bearing security or account for the duration of the production. An Approved Producer shall mean an entity:

- (i) that the CMPA confirms by written notice to be a member in Good Standing;
- (ii) that has maintained a permanent active entity with established offices and staff for the previous four (4) years, and has produced or financed the production of at least four (4) theatrical motion pictures or twenty-six (26) hours of television under this agreement or its predecessors; and
- (iii) that has a good track record for payment of Union Members, excluding minor infractions and *bona fide* disputes.

- (c) A Producer may apply for status as an Approved Producer, in which case the Union shall within fifteen (15) days communicate whether status has been denied. If Approved Producer status is denied, the Union shall provide reasons for its decision.
- (d) Upon thirty (30) days' notice to a specific Producer and the Association, with reason given, the Union may at its sole discretion, remove such Producer from Schedule "H" Approved Producer status.
- (e) Throughout the life of this agreement the Union and the Association may agree to add Producers to Schedule "H".

- (f) When a Producer's application for Approved Producer status is denied or when the Union provides notice to a Producer that its Approved Producer status is being removed, the Producer shall have recourse to the following appeal procedure:
 - (i) The Union shall meet with the Producer within five (5) business days of the Producer's request to appeal the Union's decision;
 - (ii) An appeal committee shall be formed that will consist of a representative of the Union and a representative of the Association;
 - (iii) Should there be no consensus at this meeting, the Producer shall post a cash bond in accordance with Article Thirteen (a) as a gesture of good faith pending the outcome of presenting its case to an independent arbitrator. The Producer may submit the issue to final and binding arbitration pursuant to Article Nineteen (d). Such submission shall be made on written notice to the Union and the Association within ten (10) days of the appeal committee meeting; and
 - (iv) Should the arbitrator rule in the Producer's favour, the Union will immediately return the cash bond, with interest if applicable and accept a corporate letter of guarantee from the Producer.

ARTICLE FOURTEEN

Remuneration and Payment of Wages

- (a) The Producer agrees to pay each Member remuneration at rates not less than the minimums set out in Schedule "A" and "B" of this Agreement.
- (b) Payment for work performed and any other payments or considerations shall be paid on the fourth (4th) work day of the following week, at or before 4:00 p.m. (16:00 hours) for work performed the week ending the seventh (7th) day midnight (24:00 hours). The Producer shall affix a copy of the Member's time sheet to the pay cheque, showing earnings in detail. Copies of said time sheets shall be provided to the Union upon request.
- (c) In the event of late payment by the Producer of more than seven (7) days, an additional payment calculated at the rate of two percent (2%) per month of the gross wages for that week shall be paid to the Member and such payment shall be added to the next week's wages or, if none, by a separate cheque.
- (d) In the event of non-payment of wages of more than seven (7) days or other monies due to the Member or the Union, the Union and its Members are under no obligation to continue to provide services to the Producer and the Union is under no obligation to avert any work stoppage.
- (e) Articles 14(c) and (d) shall not apply in the following circumstances:
 - (i) where the Producer has filed with the Union a bona fide dispute relating to the monies payable;

(ii) where normal methods of payment are interrupted (e.g. computer server malfunctions, mail strikes, power outages, etc.); or

(iii) where the Member has not submitted his or her time sheet by the end of the work week.

ARTICLE FIFTEEN

Travel and Accommodation

- (a) Travel and accommodation will be provided to a Member engaged under this Agreement in the same manner as applicable to technicians, who represent such positions as gaffers, grips and etc., and who are engaged on the production.
- (b) Per diem meal allowances shall be paid in the same manner as applicable to technicians who represent such positions as gaffers, grips, etc. and who are engaged on the production.
- (c) When overnight accommodations are arranged, personal health issues shall be reasonably accommodated.
- (d) Should the Producer enter into a variance with the applicable technician's union on terms and conditions affecting travel and accommodation, the Union shall be provided with notice, in writing, by the Producer, within forty-eight (48) hours upon finalizing such agreement.
- (e) With prior written approval from the Producer, and when a shuttle is not offered to the Member, any Member choosing to use their personal vehicle for work related purposes when working outside of the Studio Zone, including transporting themselves to and from the edge of the Studio Zone to a location outside the Studio Zone, will be compensated at the rate of forty-two (42) cents per kilometer. Alternatively, the Producer may elect to provide the Member with a flat rate of thirty-five dollars (\$35.00) per day. For clarity: Members are not required, nor expected, to use their personal vehicle for work related purposes, including travelling to a location outside the Studio Zone.
- (f) Each Member agreeing to use their own vehicle for work-related purposes shall arrange for adequate insurance coverage of not less than one million dollars (\$1,000,000.00) for business and/or commercial purposes before using such personal vehicle for such purpose and shall provide evidence of such coverage to the Producer, if requested. Such insurance coverage shall be at the expense of the Member.

ARTICLE SIXTEEN

Insurance

- (a) The Producer agrees to bring all Members supplied by the Union under the terms of the Workplace Safety Insurance Board and proof thereof shall be provided to the Union before any Member commences work.
- (b) When a Member is required to travel to a distant location, each Member shall be insured by the Producer for the duration of the travel, including the return trip, for the sum of one hundred thousand dollars (\$100,000).

ARTICLE SEVENTEEN

Cancellation of Calls

A Craftservice Provider and/or Honeywagon Operator engaged for a daily work call shall be paid for the hours booked unless the Craftservice Provider and/or Honeywagon Operator received notification of the cancellation of change in schedule no later than ten (10) hours, or eight (8) hours if due to adverse weather conditions, prior to the work call.

A work day cancelled without proper notice cannot be defined as a day off for the calculation of sixth (6th) and seventh (7th) days.

ARTICLE EIGHTEEN

Discipline, Lay-off and Dismissal

- (a) Any notice of lay-off of a Member engaged on a weekly basis shall be given in writing not later than the sixth (6th) hour of the Member's work day on the first (1st) day of the work week, and failure by the Producer to give such notice of discharge shall entitle the Member to one (1) additional week's salary in lieu thereof. In turn, a Member engaged on a weekly basis shall give the Producer one (1) week's written notice of resignation. A Member who fails to give such notice of resignation to the Producer will be subjected to discipline pursuant to the Local's constitution and bylaws.
- (b) During the initial employment periods listed below, the Producer, at its sole discretion, may lay off a Member employed on a weekly basis at the conclusion of a work week without further payment or obligations:
 - (1) Television Series/Serial and Strip Programs/episodic New Media productions:
Four (4) weeks
 - (2) Mini-Series/Theatrical Motion Pictures: Two (2) weeks
 - (3) All other productions: Five (5) days

- (c) A Member may be disciplined and/or dismissed only for just cause. The parties agree that the principles of progressive discipline will be applied in appropriate circumstances. The Producer agrees to provide the Union with a copy of written reprimands and/or a written notice of discipline which exceeds a written reprimand in severity, including dismissal.

- (d) Force Majeure

If a production is prevented or interrupted by reason of:

- (i) natural causes, such as acts of God, fire, earthquake, hurricane, and floods; or
- (ii) emergency governmental regulation or order; or
- (iii) riot, war; or
- (iv) injury to or *bona fide* illness of a principle cast member or first unit director; or
- (v) such other cause beyond the reasonable control of the Producer.

The minimum guarantee provided for that current week shall be reduced to the extent necessitated by such contingency.

In such circumstances, the Producer shall furnish a statement in writing to the Union as to the reason for the force majeure. If the Union believes the force majeure declaration to be unjust or unreasonable, it may file a grievance with respect to the declaration under the grievance procedure of the Agreement.

ARTICLE NINETEEN

Settlement of Disputes

- (a) The Union acknowledges the principle of “work now and grieve later” and as such, the existence of a grievance or dispute will not disrupt production, subject to a Member’s lawful right to refuse work.
- (b) In the event that any grievance or dispute should arise between the Association and the Union, or between the Producer and the Union or between the Producer and any Member under this Agreement, concerning the interpretation or violation of this Agreement, it shall be considered a grievance and shall be settled in accordance with the following procedures. The grieving party shall have thirty (30) days from the date on which the party becomes aware, or ought to have become aware, of the act or omission giving rise to the dispute to initiate a grievance. In order to be deemed a grievance, the dispute must be submitted in writing to the other parties within the allotted thirty (30) day time period.
- (c) The grievance shall be discussed by the Producer, or the Producer’s designate, who is not a representative of the Crafts Service company or Honeywagon company, the Association and a representative of the Union within five (5) working days after the grievance has been brought to the attention of the Producer. When any Member is called upon to attend a meeting endeavouring to settle such dispute or disagreement, it is understood that during this period the Member will not suffer the loss of the Member’s normal wage.

- (d) In the event that the representative of the Producer and/or the Association and the Union cannot reach an agreement, the dispute may, by written notice of any party to the other party, be submitted to final and binding arbitration. Such notice must be made within ten (10) days (or in the case of payroll disputes within ninety (90) days) of the meeting provided for in Step 1, or the matter shall be considered resolved. The parties, who shall include the Association, the Producer and the Union, shall within ten (10) days of the sending of the notice requesting arbitration select a mutually acceptable arbitrator. If the parties are unable to agree on the selection of an arbitrator within these ten (10) days, the Ontario Minister of Labour shall be requested to appoint the arbitrator.

The cost and/or expenses of the arbitrator shall be borne equally by the Producer or Association and the Union, except that no party shall be obligated to pay the cost of a stenographic transcript without express consent of the other party.

The final written decision or award of the arbitrator shall be made as soon as practicable after submission of the grievance or dispute to him/her. The parties agree that such final decision or award shall be binding on each of the parties to this Agreement, and they will comply within five (5) days of the arbitration award subject to such decisions, rules or regulations as any Provincial Agency having jurisdiction may impose.

In no event shall the arbitrator modify or amend any provision of this Agreement.

In determining any grievance arising out of discharge or other discipline, the arbitrator may dispose of the claim by affirming the Producer's actions and dismissing the grievance or by setting aside the disciplinary action involved with or without compensation and such other manner as may in the opinion of the arbitrator be justified.

- (e) If either the Union or Association considers that this Agreement is being misunderstood, misinterpreted or violated in any respect by the other party, the matter will be put in the form of a policy grievance and discussed between representatives of the Association and the Union. If not satisfactorily settled within thirty (30) days of the matter first coming to the attention of the aggrieved party, either party may refer the matter to arbitration as a policy grievance in accordance with Article 19 (d). A matter not referred to arbitration in this time shall be considered resolved.
- (f) Any time limits prescribed in Article 19 may be extended by mutual agreement of the parties to the grievance.

ARTICLE TWENTY

Health and Safety

- (a) The Producer, the Member and the Union shall comply with all obligations under the *Occupational Health and Safety Act* and all rules, regulations and orders pursuant to applicable laws, which for greater certainty include the Workplace Safety and Insurance Act and its regulations.
- (b) Washroom and toilet facilities shall be provided by the Producer at all workplaces and shall be maintained on a standard at least equal to the standards required by any applicable legislation or regulation.
- (c) Any Member unable to complete their minimum daily call because of an injury sustained on the job, shall be paid the applicable daily call.
- (d) The Producer may refuse to employ a Member dispatched by the Union if the Member has exceeded or will exceed the maximum hours of service as a result of such employment. Each Member shall track his or her hours of service and shall not accept any call if he or she has exceeded or will exceed the maximum hours of service as a result of such employment.
- (e) The Producer agrees to adhere to the "Safety Guidelines for the Film and Television Industry in Ontario" dated June 2009 ("Safety Guidelines") developed by the Ontario Film and Television Industry Section 21 Advisory Committee in conjunction with the Ontario Ministry of Labour. These Safety Guidelines as they now exist or as they may hereafter be amended shall be deemed to be incorporated, as if set forth in full in writing, into this Agreement.
- (f) The Producer will make menstrual products available to Members on set at no cost. The Producer will provide an appropriate container for the disposal of menstrual products.
- (g) A Member may request accommodation for breastfeeding and/or pumping by giving reasonable advance written notice of the accommodation request to the Producer or their designate. Upon receiving the Member's written accommodation request, the Producer will comply with its duty to accommodate in accordance with the Ontario *Human Rights Code*.

ARTICLE TWENTY - ONE

Paid Sick Leave

If any Member suffers an injury or any illness, or there is an injury or illness to a “family member” (as defined under Ontario provincial employment standards legislation for the purposes of family responsibility leave), after the engagement commences, which prevents the Member from performing duties, the Producer shall pay the Member’s contracted compensation for one (1) day of injury or illness per twelve (12) week period of engagement. The Member shall report any illness or injury to the Producer as soon as possible so adequate replacement may be made, if necessary. For clarity, all unused paid sick days shall be eliminated at the conclusion of the Member’s engagement and shall not be carried over or paid out to the Member.

ARTICLE TWENTY - TWO

Employee Indemnification

The Producer hereby releases and forever discharges, and agrees to defend, indemnify and save harmless any Member (including persons engaged through a loan-out company), and in the event of such Member’s death, the Member’s heirs and executors, against any and all losses, claims, damages, actions, causes of action, liabilities and necessary costs, including legal fees, incurred during the effective dates of this Agreement and in the course of performance of the Member’s duties performed within the scope of the Member’s engagement for the Producer that resulted in contractual liability for such Member or in bodily injury or property damage suffered by any person subject to the following conditions:

- (a) This Article does not apply to grossly negligent conduct by the Member.
- (b) The Member shall co-operate fully in the defense of the claim or action, including, but not limited to, providing notice to the Producer within five (5) business days upon becoming aware of any claim or litigation, attending hearings and trials, securing and giving evidence and obtaining the attendance of witnesses.

ARTICLE TWENTY - THREE

Communications

Communications directed to any party are to be addressed to the addresses shown at the end of this Agreement and the parties will keep each other informed of any changes in address. Unless the Union is advised in writing of a change of address, any communication of any legal proceedings on the address indicated at the end of this Agreement or on the Bargaining Authorization and Voluntary Recognition Agreement shall be good and valid service.

ARTICLE TWENTY - FOUR

Intent of Agreement

It is the purpose of this Agreement to set forth conditions of engagement to be observed between the parties and to provide a procedure for prompt and equitable adjustment of grievances in order that there will be no impeding of work, work stoppages or strikes, or other interference with productions and company facilities during the life of this Agreement.

It is the further intent of this Agreement to facilitate harmonious relations between the Union, Member, the Producer and the Association and to this end the Agreement is signed in good faith by the parties. This Agreement will be binding upon and inure to the benefit of the parties and their respective heirs, executors, administrators, receivers, successors and assigns.

ARTICLE TWENTY - FIVE

Term

- (a) The Agreement shall come into effect on January 1, 2025 and shall expire on December 31, 2027, and it shall be automatically renewed from year to year thereafter unless written notice of intention to bargain or amend is given to the other party, within ninety (90) days of the expiry date of the Agreement (or its anniversary).
- (b) This Agreement applies to all Productions that open a production office on or after the effective date.

ARTICLE TWENTY-SIX

Letters of Variance

- (a) The Producer and the Union will continually monitor the effectiveness of this Agreement during its term in order to assure the work opportunities for Members and the competitive position of the Producer.
- (b) The Union will review a request from a Producer for any modifications in the terms and conditions of this Agreement intended to preserve work opportunities for Members. The Union shall make reasonable efforts to respond to a request for modification within three (3) business days of receipt of the request.
- (c) The Union is authorized to approve and implement such modifications as it deems necessary and in the best interests of the parties. Any such approved modifications to this Agreement shall be by letter of variance and may be for one Production, for a type of Production, for a specific area, or for a specific period of time. The decision to approve and implement such modifications to the Agreement is within the sole discretion of the Union. The Union's decision to deny a modification to the Agreement is not subject to the grievance procedures under Article Nineteen of the Agreement.

(d) A copy of any letter of variance will be provided to the Producer and the Association.

SCHEDULE “A”

The terms and conditions outlined in this Schedule “A” are applicable only to Craftservice Providers engaged by the Producer under this Agreement. These terms and conditions may be in addition to terms and conditions outlined in the main body of this Agreement. If there is a conflict between a term or condition in this Schedule “A” and a term or condition in the main body of the Agreement, then the term or condition in the Schedule shall prevail.

Article A1

JOB DESCRIPTION

As directed by the Producer, or the Producer’s designate, who is not a representative of the Craftservice company, the Craftservice Department shall maintain the Craftservice truck, as well as set up and maintain a Craftservice station on or near the shooting set. From the craft truck and on-set station, the Craftservice Department will provide the shooting crew and cast with items as approved by the Producer or the Producer’s designate, who is not a representative of the Craftservice company. The Craftservice Department will provide to cast or crew members, in a timely manner, appropriate items in accordance with other applicable union contracts. The Craftservice Department is responsible for ensuring that approved stock items are available and replenished as required and shall shop or direct the purchase of approved stock items under the direction of the Producer or the Producer’s designate, who is not a representative of the Craftservice company. The Craftservice Department shall report significant stock discrepancies to the Producer immediately. When required, the Craftservice Department shall operate and drive the Craftservice truck as directed by the Producer or the Producer’s designate, who is not a representative of the Craftservice company. The Craftservice Department will maintain both truck, and station in a sanitary manner, meeting or surpassing any Federal, Provincial or Municipal standards. Each Craftservice Provider engaged must possess a valid and current Food Handler’s Certificate from an accredited Safe Food Handling Program and any relevant licences and/or certificates that may be required by laws established at the location(s) the production is operating.

Article A2

CRAFTSERVICE PROVIDER PERSONNEL

A2.01 The number of Craftservice Providers engaged on a production shall be determined by the Producer in consultation with the Key Craftservice Provider engaged by the production. Such determination shall be based on the production schedule, crew size, shooting location, movement of the craft truck and any other factors deemed necessary by the Producer.

A2.02 The first (1st) weekly Craftservice Provider engaged shall be appointed, by the Producer or the Producer’s designate, who is not a representative of the Craftservice company, as the Key.

A2.03 Craftservice Daily Call Dispatch System

- (a) If a Craftservice Provider is required for a daily call, the Producer shall call the Union office to furnish such Craftservice Provider via the Local 411 call steward service. All daily calls will be dispatched in the following manner: the first daily Craftservice Provider engaged shall be name selected by the Producer; should a second daily Craftservice Provider be required, they shall be dispatched by the Union on the rotating surname basis; should a third daily Craftservice Provider be required, they shall be name selected by the Producer. This pattern shall continue until all daily Craftservice Providers required by production are engaged.
- (b) With respect to the rotating surname basis, the Union will dispatch qualified and available Craftservice Providers by going through the list of Craftservice Providers who make themselves available to the Union each day in advance of work. Consistent with the pattern noted above, the call stewards will place the day's daily calls by starting with the surname that alphabetically follows the last daily call placed in this manner on the previous day. This process will continually cycle through the list alphabetically. Should a Craftservice member not be available or eligible for engagement the call steward system will carry on to the next name on the list. When the Union dispatches permittees, it will do so on a rotating surname basis, however the Producer or the Producer's designate, who is not a representative of the Craftservice company, shall have the right to "name-hire" one permittee.
- (c) At the request of either party, the Union and the CMPA will meet to review the call steward system.
- (d) No changes or modifications will be made to the call steward system without prior notice and approval of the CMPA.
- (e) The Union will maintain a fair and equitable dispatch of Craftservice Providers to all Producers, regardless of technical union affiliation.
- (f) In no way will the call system follow a seniority based system, as defined in the film and television industry, nor will seniority in any way be a factor in the call steward system.
- (g) The number of Craftservice Provider Daily Call Name Hires will follow the number of Craft Trucks in use.
- (h) Where there are two or more Craft Trucks on a production each truck will have its own Craftservice Provider Daily Name Hire count. A Main Unit Craftservice Provider Daily Name Hire will not prevent a second truck from having a Craftservice Provider Daily Name Hire.
- (i) The Producer may refuse to employ a Member dispatched by the Union if the Member has exceeded or will exceed the maximum hours of service as a result of such employment. Each Member shall track his or her hours of service and shall not accept any call if he or she has exceeded or will exceed the maximum hours of service as a result of such employment.

- (j) If the Union is unable to furnish such Craftservice Provider, the Producer shall make other arrangements for engaging an individual provided the Producer:
 - (i) Informs the Union of its actions in writing no less than twenty-four (24) hours after any such individual commences work;
 - (ii) Makes all contributions, deductions and payments required under this Collective Agreement for such individual, effective from their date of engagement;

A2.04 Application for Work Permits:

- (a) In the event that the Producer makes a request to employ an individual who is not a Member of the Union, the Producer shall submit the request in writing along with the following information to the Union for consideration in the granting of the work permit:
 - 1) A completed Local 411 Work permit Application signed by the Applicant non-Member
 - 2) A description of the position to be held by the non-Member
 - 3) The reasons for the necessity of that individual to be permitted
 - 4) A list of credits or a resume of the requested non-Member; and
- (b) If it is necessary to employ individuals who are not Members of the Union, and the Producer has met the conditions in (a) above, and their presence is established to be necessary, the Union shall not unreasonably deny the granting of a work permit for a period not exceeding the duration of the production for which the Collective Agreement has been signed and only if the rates and conditions and/or terms of this Collective Agreement regarding the Union personnel have been met.
- (c) The Producer shall not employ any individual who is not a Member of the Union until the Producer has received a copy of the Work Permit endorsed by the Union.
- (d) The Producer shall remit any negotiated permit fees to the Union on a monthly basis, including a complete remittance breakdown, as follows:

A2.05 The Union and its Craftservice Provider members agree to regularly update the availability list of those Craftservice Providers who are available and qualified to accept an engagement. A Craftservice Provider who fails to notify the Union of any change in their availability status will be subjected to discipline pursuant to the Local's constitution and bylaws. The Union agrees to actively ensure that the availability list remains up to date.

A2.06 If a daily Craftservice Provider is engaged for five (5) days on the same production, such Craftservice Provider shall be retroactively deemed to be a weekly Craftservice Provider and paid accordingly except where such daily Craftservice Provider is primarily engaged to service background performers.

A2.07 A daily Craftservice Provider not engaged primarily to service background performers shall be paid one-fifth (1/5th) of the applicable weekly rate per day.

A2.08 A daily Craftservice Provider engaged primarily to service background performers shall be paid at the rate set out in Article A5.

A2.09 A daily Craftservice Provider working as a replacement for a weekly Craftservice Provider shall be paid at the same rate as the Craftservice Provider being replaced.

A2.10 A production may not call in a replacement Craftservice Provider in order to avoid a Craftservice Provider being deemed a weekly Craftservice Provider.

A2.11 No Craftservice Provider shall be required to perform the duties of a higher rated classification without first being upgraded. If a Craftservice Provider (Key or Assist) is away from set during work hours, the Craftservice Provider must be replaced by a Craftservice Provider upgraded to the Craftservice Provider's status. The upgrade will be in effect only for time worked in the higher rated classification.

Article A3

CRAFTSERVICE PROVIDER HOURS OF WORK

A3.01 The normal working day shall be up to thirteen (13) consecutive hours of work inclusive of meal breaks. The Craftservice Provider shall be paid for all time worked from the time they report as and wherever directed, until they are released from work. For greater clarity, a Craftservice Provider who is requested by the Producer to pick up and drive a vehicle to a location shall be paid from the time they pick up the vehicle to the time they return the vehicle or return to their start work location.

A3.02 Overtime

Work during the fourteenth (14th), fifteenth (15th) and sixteenth (16th) hour shall be paid at two (2) times the applicable daily rate divided by ten (10) (i.e. contracted daily rate /10 hours x 2). Work after the sixteenth (16th) hour shall be paid at three (3) times the applicable daily rate divided by ten (10) (i.e. contracted daily rate /10 hours x 3).

A3.03 Turnaround

The Craftservice Provider shall be given at least ten (10) hours off between the conclusion of one (1) shift and the commencement of their next shift ("turnaround"). Also, a Craftservice Provider shall be given at least fifty-two (52) hours off as weekend turnaround, based on a five (5) day work week.

Where the Craftservice Provider works six (6) consecutive days in a work week, there shall be a continuous thirty-four (34) hour rest period which includes the ten (10) hour turnaround above ("weekend turnaround").

When the sixth (6th) day worked occurs on the seventh (7th) day of the regular work week, there shall be a continuous thirty-four (34) hour rest period between the end of the shift on the fifth (5th) day and the commencement of the shift on the seventh (7th) day of the work week.

A3.04 (i) Regulatory Compliance

Before a Craftservice Provider is directed to move or drive a Craftservice or production vehicle and after the Craftservice Provider has been on duty in excess of the time permitted under the *Ontario Highway Traffic Act* regulations, an additional Craftservice Provider shall be called, via the Local 411 call steward system, for a six (6) hour call. Such Craftservice Provider shall be paid the 6 hour call rate prescribed in Article A5 per day if required to work six (6) hours or less. In the event the Craftservice Provider is required to work more than six (6) hours, the Craftservice Provider will be paid one fifth (1/5th) the applicable Craftservice Provider weekly rate per day. This Craftservice Provider shall have access to any transportation already provided to and from the location.

(ii) Additional Duties

In a manner consistent with past practice, the Producer may elect to call, via the Local 411 Call Steward system, a Craftservice Provider for a six (6) hour call for increased numbers of background performers. When called to work in the case of background performers, the Craftservice Provider may be called to start work in advance of the majority of background performers' call time and the Craftservice Provider may be dismissed at wrap of the majority of background performers. Such Craftservice Provider shall be paid the 6 hour call rate prescribed in Article A5 per day if required to work six (6) hours or less. In the event the Craftservice Provider is required to work more than six (6) hours, the Craftservice Provider will be paid one fifth (1/5th) the applicable Craftservice Provider weekly rate per day.

With respect to either Article A3.04 (i) or (ii) above, it is not the intent of the parties to regularly schedule a six (6) hour call. Additionally, these Craftservice Providers may perform duties which are incidental to the purpose of their original call.

A3.05 Where more than one (1) Craftservice Provider is engaged, provided that at least one (1) of the Craftservice Providers who worked the previous five (5) days works the sixth (6th) and/or seventh (7th) day, the Producer in consultation with the Craftservice Provider shall determine which Craftservice Provider, if any at all, works the sixth (6th) and/or seventh (7th) day.

A3.06 Where a Craftservice Provider is required, by the Producer, or the Producer's designate, who is not a representative of the Craftservice company, to perform weekend cleaning, restocking, shopping, and the purchase-preparation of perishable foods for the ensuing week shall be paid at a minimum of four (4) hours the rate of one and one-half (1½) times on the sixth (6th) day of a five (5) day work week and at a minimum of four (4) hours at double time (2x) on the seventh (7th) day of a six (6) day work week. Any hours actually worked in excess of the four (4) hour minimum shall be paid at the applicable premium for either the sixth (6th) or seventh (7th) day, as the case may be. For greater clarity, work performed under this article, A3.07, does not trigger encroachment on those weekend turnaround periods identified in article A3.03 above.

A3.07 A Craftservice Provider may request a one hour set-up prior to craftservice "hot and ready" call time. A refusal by the Producer is not grievable.

This letter is to set out the terms of an agreement reached between

_____ "the Company" and
IATSE Local 411 ("Union"). This agreement applies to the production presently entitled
" _____ " (the "Production") to be produced by
_____, ("Producer").

In consideration of the Union waiving the posting of a performance bond by Producer for the Production, "the Company" guarantees payment to the Union of all present and future debts, liabilities, and obligations due or owing to the Union from or by Producer in connection with the Production that would normally be covered by the posting of a performance bond pursuant to the collective agreement signed between Producer and the Union and the amendments thereto.

It is agreed that this is a continuing guarantee and will cover and secure any ultimate balance owing to the Union in connection with the Production, which would normally be covered by the posting of a performance bond, but the Union is not obliged to exhaust its recourse against Producer before being entitled to payment by the Company of all and every debt, liability, and obligation of Producer guaranteed herein.

If, at any time, payment of an amount guaranteed herein is in default, the Union shall deliver to the Company a formal demand in writing outlining the specific sum involved and particulars of the default. On receipt of such demand the Company shall forthwith pay to the Union the sum set out in such notice, less any amounts with respect to which there is a *bona fide* dispute, in which case the Company shall advise the Union of such dispute and provide a written explanation for the Company's position with respect to the subject matter of the *bona fide* dispute.

If any amounts, other than an amount which is subject to a *bona fide* dispute, remain in default for more than two (2) business days after the Company has been served with the demand provided for above, the Union shall have the unilateral right to terminate this Agreement and the Producer shall be required to immediately post a performance bond equal to two weeks' minimum scale remuneration for each member or permittee engaged by the Producer to be held in trust by the Union for the protection of its members.

This agreement forms an amendment to the collective agreement and the amendments thereto signed between the Union and Producer for the production.

This contract between the Company and the Union will be construed in accordance with the laws of the Province of Ontario and this contract shall be deemed to have been made in Ontario.

SIDE LETTER No.1

PRODUCTIONS MADE FOR NEW MEDIA

This confirms the understanding of IATSE Local 411 and the Producer concerning the terms and conditions which the Producer may elect to apply to the production of entertainment motion pictures of the type that have traditionally been covered under the Collective Agreement which are made for the Internet, mobile devices, or any other new media platform in existence as of January 1, 2010 (hereinafter collectively referred to as "New Media").

The parties mutually recognize that the economics of New Media production are presently uncertain and that greater flexibility in terms and conditions of employment is therefore mutually beneficial. If one or more business models develop such that New Media production becomes an economically viable medium, then the parties mutually recognize that future agreements should reflect that fact.

This Sideletter applies to the production of certain types of programs intended for initial use in New Media and does not cover work involved in the selection of content for, design or management of any website or any other New Media platform on which productions made for New Media appear.

A. Terms and Conditions of Employment on Derivative New Media Productions

A "Derivative New Media Production" (hereinafter collectively referred to as "Derivative Production") is a production for New Media based on an existing dramatic television motion picture covered by the Collective Agreement that was produced for "traditional" media – e.g., a free television, basic cable or pay television motion picture ('the source production') – and is otherwise included among the types of motion pictures traditionally covered by the Collective Agreement.

Members may be engaged by a Producer and assigned to a Derivative Production as part of their regular workday on the source production. The work for the Derivative Production shall be considered part of the workday for the Members on the source production and shall trigger overtime if work on the Derivative Production extends the workday on the source production past the point at which overtime would normally be triggered on the source production. All other terms and conditions, including fringe benefits, shall continue as if the Member were continuing to work on the source production.

In all other situations, terms and conditions of employment are freely negotiable between the Member and the Producer, to the extent permitted by applicable law, except for those provisions identified in Paragraph C. below, and provided that the Producer and Member cannot negotiate wages and overtime less than the minimums provided by applicable law for Members not covered by a collective agreement.

B. Terms and Conditions of Employment on Original New Media Productions

Terms and conditions of employment on Original New Media Productions are freely negotiable between the Member and the Producer, to the extent permitted by applicable law, except for those provisions identified in Paragraph C. below, and

provided that the Member and Producer cannot negotiate wages and overtime less than the minimums provided by applicable law for Members not covered by a collective agreement.

C. Other Provisions

(1) Fringe Rates

The aggregate fringe rate payable for retirement benefits, health and welfare, and vacation pay on covered New Media Productions shall be ten percent (10%) of straight time earnings only. The Union shall allocate the percentage among the aforementioned fringe categories. The Producer is not required to make retirement benefits, health and welfare, and vacation pay contributions on behalf of any Member who has been issued a work permit, provided that proof of payment to such Member's applicable IATSE retirement benefits and health and welfare is provided to the Union. The CMPA administration fee as per Article 12 (f) shall also apply.

(2) Grievance and Arbitration

The provisions of Article Nineteen of the Collective Agreement, "Settlement of Disputes" shall apply.

(3) Staffing

It is expressly understood and agreed that there shall be no staffing requirements on New Media Productions and that there will be full interchange of job functions among Members, so that a single Member may be required to perform the functions of multiple job classifications covered hereunder.

(4) No Strike, No Lockout

The provisions of Article Two, Recognition and Scope of Agreement, of the Collective Agreement shall apply.

(5) Dues

The provisions of Article Seven (h), Union Personnel, of the Collective Agreement shall apply.

(6) Layoff, Termination of Employment and Replacement

The following provisions of the Collective Agreement shall apply to all Members engaged on New Media Productions: Article One paragraph (c) "Authorized Representative" and Article Eighteen, Discipline, Layoff and Dismissal.

(7) No Other Terms Applicable

Except as expressly provided in this Sideletter, no other terms and conditions of the Collective Agreement shall be applicable to Members engaged on New Media Productions.

D. Sunset Clause

The parties recognize that these provisions are being negotiated at a time when the
